

# **Perspectives from the UK and USA: Are We Striking the Right Balance Between Security and Individual Freedoms?**

**Chair**

**Rosa Curling** (Leigh Day)

**Speakers**

**Eric Metcalfe** (Monckton Chambers)

**Jo Cavan** (Head of the Interception of Communications Commissioner's Office)

**Chip Pitts** (Electronic Privacy Information Centre, Washington DC)

**6pm (registration from 5.30pm) Wednesday 9 March 2016**

**1 Suffolk Street, London SW1Y 4HG**

This event will provide an opportunity for our speakers (and audience) to discuss and debate what the UK and USA need to do to ensure an appropriate balance is struck between protecting individual freedoms and ensuring national security in the new digital age.

Entry is free and open to all practitioners, academics, and students but space is limited so please RSVP to [administrator@hrla.org.uk](mailto:administrator@hrla.org.uk)
